Chopard Rose Malaki

Eau de Parfum 80ml

This spicy floral fragrance is a sensual tribute to one of the most revered ingredients in the ancient art of perfumery: the Rose. It revisits these oriental origins through the unique combination of Damascena Rose absolute and a rose petal accord. This bouquet of roses is artfully faceted by the noblest of all spices, saffron. Adding to the natural sensuousness of the rose, it brings to Chopard Rose Malaki a subtle note of mystery and fascination. Chopard Rose Malaki closes on a third distinctively oriental note, Atlas cedar. Slightly camphorated, it creates a captivating trail, a mesmerising aftertaste that enriches the Rose Malaki experience.

Hugo Red

Eau de Toilette 75ml

An innovative scent requires an innovative source of inspiration and HUGO Red is a great example of this. We wanted to create a perfume for men that captures the idea of pushing boundaries and to achieve this we found an unexpected parallel with the behaviour of cold and hot metal. The result of our creation is a contemporary blend of contrasting ingredients, full of cold and hot tension that stimulates the wearer and leaves him feeling energised and ready to challenge himself.
