# Fare Families support on GDS

Dear Trade Partner,

We are pleased to announce that our enhanced Fare Families can now be displayed on multiple GDSs, including Amadeus, Sabre and Travelport.

	<b>Economy Class</b>		<b>Business Class</b>		<b>First Class</b>
Lite Classic Convenience Comfort		Lite Classic Comfort Elite		Elite	

Fare Family information and associated benefits can now easily be viewed within your GDS platform, significantly enhancing the user experience and offering quick differentiation between Fare Families.

With a wide range of benefits available via the GDS, it is now easier to show your clients the rewards of upgrading to the next Fare Family.

- Generous baggage allowances
- Possibility to earn additional Qmiles based on selected Fare Family
- Date change and refund eligibility
- Seat reservation eligibility and more

For further information, please contact your local Qatar Airways Sales Representative.
