Valentina Oud

Eau de Parfum 80ml

Like a voyage from the Orient to Italy, Valentina Oud Assoluto is a precious and captivating elixir preserved in a black and gold glass bottle. This bewitching fragrance associates the tradition of both Italian and Oriental perfumeries. Olivier Cresp has created Valentina Oud Assoluto as an oriental interpretation of the eternal femininity of Valentina. The freshness of orange blossom creates an irresistible duo with cardamom and then comes opulent Bulgarian rose along with the softness of leather. Finally, the warm saffron emphasise the power of the accord of oud surrounded by vanilla and the refinement of dried woods.

Dolce & Gabbana
Dolce

Eau de Parfum 75ml

Dolce is a feminine mix of white flowers, introduced by the freshness of the Neroli leaves and defined by the white Amaryllis, a South African flower used for the first time ever in scent. The fragrance opens with a brightly-coloured, sweet-smelling explosion of Neroli leaves and Papaya flowers, dissipating into a floral bouquet as the core of the fragrance emerges. A unique and opulent combination of White Water Lily and bold White Daffodil blend perfectly with the full-bodied White Amaryllis. This floral signature is counterbalanced by the background of warm Musky notes, along with the complex accents of Cashmeran; leaving a sensual trail of light woods, earthy tones and piquant spices.

Lacoste Live

Eau de Toilette 100ml

LACOSTE LIVE blends edgy style and authenticity. This is a whole new chapter for LACOSTE fragrances: the unique design and campaign appeal to a more urban consumer seeking authenticity and creativity.

The scent perfectly blends together the fresh lime, aquatic notes, as well as a smoky warmth of Guaiac Wood and dark liquorice that add depth and originality to the scent. It comes in an edgy and playful flacon cube-shaped, clean and modern. The six sides of the cube give the LACOSTE LIVE generation the opportunity to see things differently depending on the perspective, and pushes people to see beyond the obvious.

Hugo Boss Red

Eau de Toilette 75ml

An innovative scent requires an innovative source of inspiration and HUGO Red is a great example of this. We wanted to create a perfume for men that captures the idea of pushing boundaries and to achieve this we found an unexpected parallel with the behaviour of cold and hot metal. The result of our creation is a contemporary blend of contrasting ingredients, full of cold and hot tension that stimulates the wearer and leaves him feeling energized and ready to challenge himself.

Single Malt Scotch Whisky

An elegant single malt, matured in specially hand-selected aged Bourbon, European oak and Californian red wine casks and married in our unique Cask Collection Solera vat for an extra smooth and complex flavour.

To create Select Cask, our Malt Master has hand-selected aged Bourbon, European oak and red wine casks of mature single malts, for their individual flavour and characteristics. Aged Bourbon Casks impart rich vanilla and sweet toffee flavours.

European Oak Casks add deep oaky tannin notes and a velvety texture. Red Wine Casks add vibrant fruity characteristics with floral top notes.
