This spicy floral fragrance is a sensual tribute to one of the most revered ingredients in the ancient art of perfumery: the Rose. It revisits these oriental origins through the unique combination of Damascena Rose absolute and a rose petal accord. This bouquet of roses is artfully faceted by the noblest of all spices, saffron. Adding to the natural sensuousness of the rose, it brings to Chopard Rose Malaki a subtle note of mystery and fascination. Chopard Rose Malaki closes on a third distinctively oriental note, Atlas cedar.
